

FETCH THIS

A photograph of two deer standing in a snowy field with snow-covered bushes in the background. The deer are brown with white underparts and are looking towards the camera.

**For your dog,
hunting is
always out
of season!**

Don't let your dog hound our local wildlife this season. Keeping your dog on a leash or under voice command at all times will reduce stress and will allow our wild creatures to keep their precious energy stores through the winter.
